

## **General Data Protection Regulations**

SGUSO does not collect, store, process or release any personal data of any nature to any individual or organisation – including any information on customers or volunteers - with the following exceptions

- 1) A completed incident/accident report form which includes the name of the skater or spectator if relevant.
- 2) Information collected while conducting DBS checks which is stored and disposed of in accordance with the separate policies posted.
- 3) The personal email addresses of volunteers which is shared among volunteers with the specific agreement of each volunteer.

Any additional information a volunteer chooses to share with another volunteer – such as a mobile number – is given on a personal and individual basis.

SGUSO interpretation of information provided by the ICO is that it is not required to register with the ICO.
